RE: File # 2006-00579, 4 Quaker Court, Bedford
Tax Map 13 / Lot 5-9

Dear Mr. Palacios:

Between March 31, 2006, and July 12, 2006, the New Hampshire Department of Environmental Services, Wetlands Bureau ("DES") inspected property located at 4 Quaker Court, Bedford ("the Property") on several occasions. The purpose of these inspections was to respond to a complaint that alleged wetland vegetation and associated roots were removed and that fill was placed in the wetland and to monitor follow restoration. It was determined that violations of RSA 482-A and Administrative Rules Env-Wt 100-800 had occurred on the Property.

This Notice of Past Violation ("Notice") is being sent to you as DES understands that you and your landscaping company were responsible for impacting wetlands on the Property. This is to inform you that the violations referenced above have been documented and will be maintained on file at DES. At DES's request, the Tirollos revegetated the site with wetland species and removed fill. No further action is required of you relative to these violations and DES will take no further enforcement action at this time. **This Notice is being sent to help you avoid similar violations in the future so as to protect wetlands and surface waters from unregulated despoliation before violations occur.**

In an effort to promote better understanding and compliance with wetlands laws and rules, DES provides an "inspector of the day" service available to the public to address technical questions related to wetlands regulation. This service is available Monday through Friday, 8:00am to 4:00 pm by calling (603) 271-2147. DES encourages you to make use of this service as well as our website (<http://www.des.nh.gov/wetlands.htm>) before undertaking future work on your property.

If you have any questions regarding this matter, please feel free to contact Eric M. Skoglund at (603) 271-4192 or eskoglund@des.state.nh.us.

Sincerely,

Collis Adams CWS
Bureau Administrator
DES Wetlands Bureau
